

CMG GardenNotes #317

Homework: Identifying Insects

1. Complete the table for a quick comparison of the insect orders

Order	Wings	Mouthparts	Body/Legs
Adult Coleoptera (Beetles)			
Adult Diptera Flies			
Hemiptera True Bugs			
Homoptera Aphids Cicadas Leafhoppers			
Adult Hymenoptera Ants Bees Hornails Sawflies Wasps			
Adult Lepidoptera Butterflies Moths			
Orthoptera Crickets Grasshoppers Katydids			

Can you identify each Arthropod from the picture drawings?
